

Things to Bring

By your child's first day of preschool, please bring the following items labeled with your child's name:

- ❖ Two complete changes of clothes stored in a large Ziplock bag to be kept at the school for emergencies. Please include socks, underwear, shirt and pants that are seasonably appropriate and properly sized.
- ❖ Be sure to replace clothes the next day your child attends school when your child's extra clothes are used.
- ❖ A light weight jacket labeled with your child's name to be kept at school in case the weather turns cooler throughout the day.
- ❖ Children attending a three quarter or full day need to bring bedding items as they will nap/rest.
- ❖ Bedding items are: one crib size sheet, a blanket and if your child prefers to sleep with a pillow, a small size pillow. Once again, be sure to label everything.
- ❖ Children who are not potty trained will need to keep an ample supply of diapers and wipes at the school; a one-month supply would be ideal. This applies for children who wear Pull Ups during nap time as well.

Emergency/Earthquake Kit: in a gallon size Ziploc bag please include the following items:

- ❖ 3 drink packages, i.e., juice boxes, Capri Suns, waters
- ❖ 3 containers of protein - tuna pouch, pepperoni, peanut butter, beef jerky to give a few ideas
- ❖ 6 snack foods - granola bar, applesauce, fruit cups, packaged popcorn, pudding
- ❖ Family picture and note to your child
- ❖ All containers need to be easy to open with pop-tops or pull open packaging. Ensure that nothing requires a can opener or is in a glass container. Review all the expiration dates of the items included in your kit. Select foods your child will eat. Label bag with your child's full name and the date you prepared the kit.
